About Us.

Dams Furniture have been providing office furniture solutions since the 1960's. Now firmly established as one of the UK's leading full range manufacturers and suppliers of office furniture, Dams remains a family run business employing over 370 people from our head office site in Knowsley, Merseyside.

Dams forward-thinking, entrepreneurial mentality and dynamic growth strategy is underpinned by continued investment in our production and warehouse facilities, our systems and our people. Today, Dams are uniquely placed to meet the diverse, ever changing needs of the office furniture market.

UK Manufacturing.

Our proud history covers over 50 years of manufacturing in the UK office furniture industry. What we do, we do well, with a focused approach to producing quality, design-led products and developing the skills needed for the office furniture industry of the future.

Our UK manufacturing operations are made up of a wood mill and upholstery factory, and quality is an integral part of what we do as we test and certify our products with the industry leading organisations such as FIRA and SATRA.

Product Portfolio.

Dams product portfolio is more diversified than ever with unique product offerings that are sought after for their compelling design, superior quality, and exceptional value. Innovative and contemporary product designs are supplemented with traditional and modern classics to fulfil any customer requirement.

And with over 9,500 stocked products and 1,500 made-to-order items available, Dams have the biggest and best portfolio of office furniture products in the UK and are better placed than ever to service our customers.

Product Design.

Our in-house team of designers bring dozens of new products to market each year. Innovative and contemporary designs are supplemented with traditional and modern classics to meet all style and customer requirements.

We design and make intelligent products that are manufactured to meet real needs of the office furniture industry, making sure that every process during new product development, whether it's constructing a new sofa or producing a new worktable, reduces or eliminates our impact on the environment.

Sustainable Business.

We care about what we do, and we're committed to reducing our carbon footprint and minimising our environmental impact on the planet, while recognising our corporate social responsibilities with our charity work in the local area.

1,167,937 KWH OF ENERGY PRODUCED FROM OUR BIOMASS BURNER

Dams are on track to achieve Netzero carbon status by 2035 – well in advance of global government targets, and we're constantly striving to find new ways in which we can engage with local communities to improve people's lives.

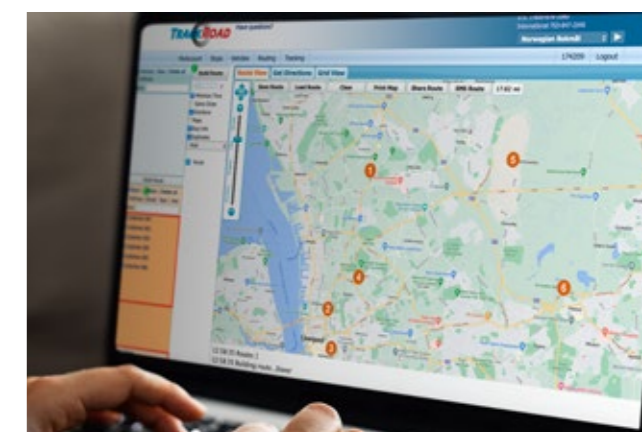

Delivery Services.

“OUR 24/7 WAREHOUSE OPERATION DELIVERS OVER 1,000 ORDERS EVERY DAY”

Our huge product portfolio is backed up by industry-leading levels of stock availability in our newly expanded warehouse and distribution centre, which we then provide to our customers through national wholesaler delivery service options, leading the way in office furniture logistics.

Getting your products safe, sound and on time is crucial for any business. Customer orders can be delivered anywhere in the UK the next day, delivered to your warehouse, direct to end-users, delivered and installed, or you can collect items from Dams collection centres across the UK.

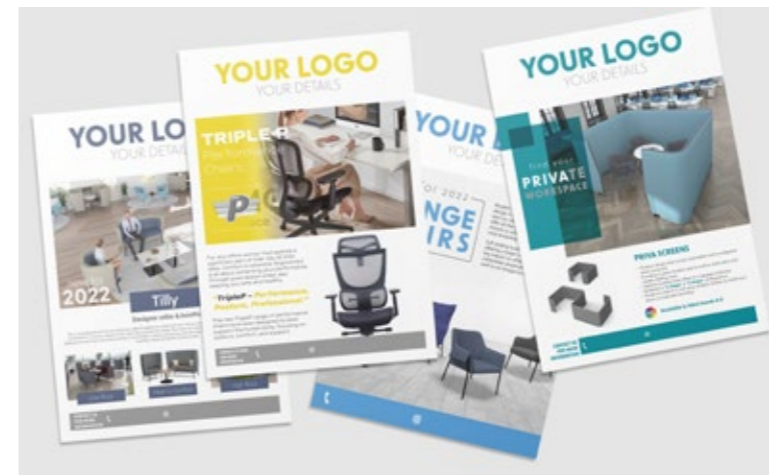

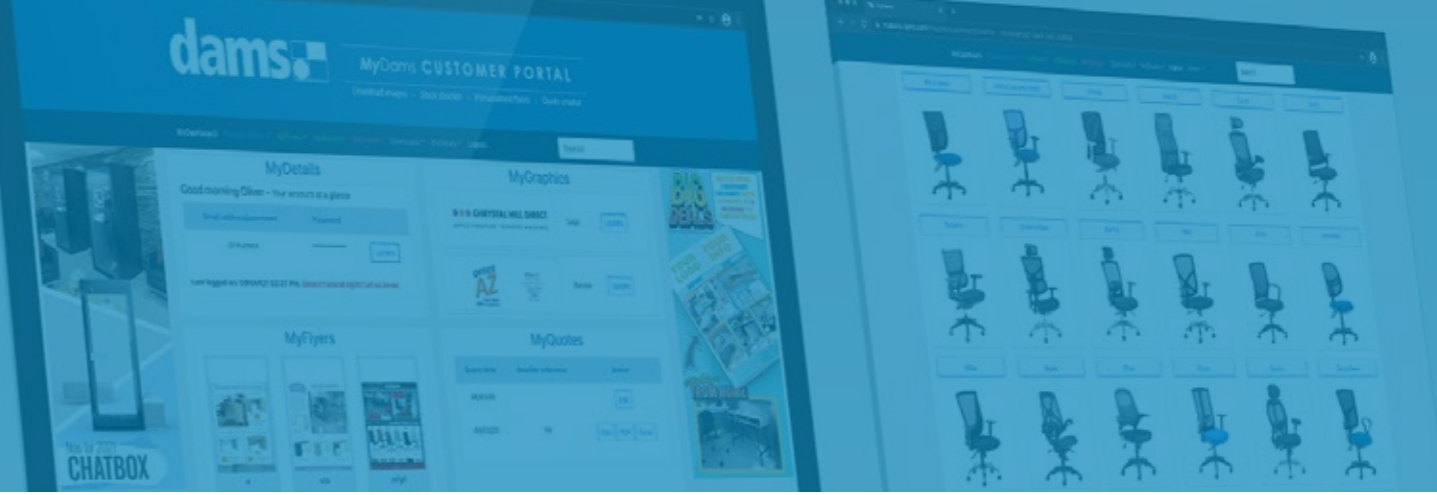

Marketing Support.

The Dams approach is to work as an extension to our customer's business. We strive to help you grow your business by going the extra mile in terms of the marketing support we offer, building a flexible and long-lasting cooperation and relationship, and working together to increase your sales and margins.

We offer leading-edge sales and marketing support with a friendly, easy to do business with mentality. The MyDams customer portal has been developed to bring all your product details, stock information, downloads, customised promotion flyers and sales quotes together into a single place that's easy to manage.
