

PRODUCT DATA SHEET

Adapt starter units back to back 1400mm x 1600mm - black frame, beech top

E1416-SB-K-B

Comprising a sturdy steel subframe and bench tops which take on a floating appearance, Adapt offers a clean and minimal look to the workplace. Desk legs can be shared, making it an aesthetically pleasing, cost effective and practical system for high density office spaces. The Adapt benching solution is a real stand out in the modern office environment.

PRODUCT FEATURES

- Two straight starter unit desks 1400x800mm back-to-back with scalloped cut outs in the desktops
- Extend into a modular bench desk system with back-to-back desk add-on units
- 25mm desktops available in beech, oak, white, walnut and white with oak edging
- Extended sturdy steel framework and bench tops which take on a floating appearance
- High quality modular bench desk system to suit modern open plan office environments
- Horizontal and vertical cable management allows cables to rise from the floor via mass cable risers and shared cable
