

PRODUCT DATA SHEET

Adapt back to back desks 1600mm x 1600mm - black frame, beech top

E1616-K-B

Comprising a sturdy steel subframe and bench tops which take on a floating appearance, Adapt offers a clean and minimal look to the workplace. Desk legs can be shared, making it an aesthetically pleasing, cost effective and practical system for high density office spaces. The Adapt benching solution is a real stand out in the modern office environment.

PRODUCT FEATURES

- Two straight desks 1600x800mm back-to-back with scalloped cut outs in the desktops
- Extended sturdy steel framework and bench tops which take on a floating appearance
- 25mm desktops available in beech, oak, white, walnut and white with oak edging
- Desk legs can be shared, making it an aesthetically pleasing, cost effective and practical system
- High quality modular bench desk system to suit modern open plan office environments
- Horizontal and vertical cable management allows cables to rise from the floor via mass cable risers and shared cable
