

PRODUCT DATA SHEET

Encore² modular large coffee table with black sled frame - white

ENC-TAB02-MF-WH

The Encore Modular is as reconfigurable as it is versatile and can be grouped together to create large landscape configurations which are ideal for meetings and reception areas, or be used as stand-alone pieces. The quality construction and high traffic design deliver an endless array of configurations and the high back units offer comfort and privacy in a more informal space where people can work, team up or gather.

PRODUCT FEATURES

- Multi-functional soft seating system adds impact to any space
- Modern design with choice of distinctive black metal sled or oak sled frames
- Ideal for informal meetings or large landscapes for public spaces
- Made up of 6 seating units, a divider and tables to assemble in multiple configurations
- Rectangular coffee table with 25mm table top available in kendal oak, white or MTO laminate
- Ideal for use with Encore modular soft seating in breakout areas
