PRODUCT DATA SHEET

Flux modular storage double wooden top shelf - grey oak

FL-TS2-GO

The Flux modular shelving system epitomises the future of adaptable, modern design. Flux has a capacitor for an infinite number of layout options and shapes to help create work zones in any space to promote privacy or transparency as needed. The crisp, clean aesthetic of the black frame allows you to break up the workplace landscape while bringing together a wide range of complementary components and products – and, never compromising on design.

PRODUCT FEATURES

- Single or double shelf to sit on top of black steel frame
- To sit on the top shelf only, ideal for storage or showing off items
- Available in grey oak or kendal oak finishes
- Fully welded frame construction for easy installation & added strength
- Modular grid based shelving/storage system for adaptable, flexible spaces
- Configured in an infinite number of ways to suit any space
