

PRODUCT DATA SHEET

Piano Solo acoustic booth - dark blue trim

PSB1-DB

The Piano Solo phone booth provide workers with a private acoustic space to make personal phone calls or one-to-one video conferencing. These sturdy single person pods are available in 10 trim colours, complete with a standing height table top which provides space for laptops or notebooks if necessary. Piano Solo is designed to keep noise from the outside out, while also enclosing the user to prevent them from distracting others in the workplace.

PRODUCT FEATURES

- Offers a high degree of personal privacy with acoustic properties
- Ideal when making phone calls away from the desk
- Specifically designed to enhance acoustic comfort
- Solves the lack of private areas in noisy open plan offices offering speech privacy
- Multiple layers of acoustic material inside the panel construction
- Available in a selection of 10 fabric trim colour options
