PRODUCT DATA SHEET

Denver reception straight base unit 1600mm - beech with white panels

RU16D-BWH

The reception area is of critical importance for any business. It needs to be a welcoming space for all visitors, from valued customers to prospective new starters arriving for an interview. Available in beech with optional white panels, Denver is a flexible modular unit that can be arranged in a variety of configurations with the base and top units to create a commanding reception feature that will make a lasting first impression.

PRODUCT FEATURES

- High quality, front office reception desk base unit 1600mm wide
- Robust unit with 2mm ABS edging and cable access ports that align with hutch units
- Available in beech and beech with white panels
- 25mm melamine beech surfaces which are scratch and heat resistant
- Adequate storage so the area appears uncluttered and there's plenty of room to work
- Create multiple desk configurations where many important tasks are carried out
