PRODUCT DATA SHEET

Denver reception straight top unit 1600mm - beech with white panels

RU16H-BWH

The reception area is of critical importance for any business. It needs to be a welcoming space for all visitors, from valued customers to prospective new starters arriving for an interview. Available in beech with optional white panels, Denver is a flexible modular unit that can be arranged in a variety of configurations with the base and top units to create a commanding reception feature that will make a lasting first impression.

PRODUCT FEATURES

- Top unit 1600mm wide that sits above base unit to create linear configurations
- Robust unit with 2mm ABS edging and cable access ports that align with desktop units
- Create multiple desk configurations where many important tasks are carried out
- 25mm melamine surfaces available in beech and beech with white panels
- Adequate storage so the area appears uncluttered and there's plenty of room to work
- Cables are managed from the hutch to the desktops so wires are not exposed
