PRODUCT DATA SHEET

Denver reception glass shelf 800mm curved

RU8GS-C

The reception area is of critical importance for any business. It needs to be a welcoming space for all visitors, from valued customers to prospective new starters arriving for an interview. Available in beech with optional white panels, Denver is a flexible modular unit that can be arranged in a variety of configurations with the base and top units to create a commanding reception feature that will make a lasting first impression.

PRODUCT FEATURES

- Curved 910mm glass shelf to create a bespoke reception space
- Combine base units and counter tops with glass shelves to create a bespoke unit space
- Glass shelf can be added to provide a more executive look and feel
- For use with Denver reception units available in beech and beech with white panels
- Adequate storage so the area appears uncluttered and there's plenty of room to work
- Create multiple desk configurations where many important tasks are carried out
