PRODUCT DATA SHEET

Denver reception 90° corner base unit 800mm - beech with white panels

RUC8D-BWH

The reception area is of critical importance for any business. It needs to be a welcoming space for all visitors, from valued customers to prospective new starters arriving for an interview. Available in beech with optional white panels, Denver is a flexible modular unit that can be arranged in a variety of configurations with the base and top units to create a commanding reception feature that will make a lasting first impression.

PRODUCT FEATURES

- Corner base unit to create a curved desk shape and add interest to any reception area
- Robust unit with 2mm ABS edging and supplied fully built
- Create multiple desk configurations where many important tasks are carried out
- 25mm melamine surfaces available in beech and beech with white panels
- Adequate storage so the area appears uncluttered and there's plenty of room to work
- Simple cam and pin construction with adjustable height levelling feet
