

Folding desk

FDK608 / FDK610 / FDK612

1

Step 1
To set up the desk, position on floor with legs facing towards you

2

Step 2
Fold the legs up to a 90 degree angle

3

Step 3
Unfold the legs towards the locking pins

4

Step 4
Carefully push the leg frame back to create just enough space for the legs to clear the locking pins.

5

Step 5
Move the legs so that they are directly over the locking pins

6

Step 6
Lower legs into place and secure with locking pins

7

Step 7
Once legs are located
push the button on the
locking pin to fix the leg in
the open position

**PUSH THIS
BUTTON
TO LOCK**

8

Step 8
Once legs are secured, turn the desk over.
Recommended 2 person lift.

9

Step 9
To fold the desk for storage,
Unlock the leg pins and follow
these steps in reverse

PLEASE NOTE
WHEN NOT IN USE TABLE
SHOULD BE STORED FLAT
OR LEANT TOP FACE
DOWN AGAINST A WALL
